## The Mission Statement:

To provide year-around sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.

## **Cambria County Invitational:**

On May 2, 2009, Coach Lester took his track team to Cambria County for their track invitational. The track invitational was held at Richland high school. Lycoming County track team won gold, silver, bronze medals and one fourth place ribbon. We all had a great time at Cambria County Invitational. The athletes are looking forward to going back next year to Cambria County. Lycoming County athletes would like to say thank you for letting us be apart of your invitational.

## **Hall of Fame:**

On May 7<sup>th</sup>, 2009 Kelly Horn was inducted into Special Olympics Pennsylvania Hall of Fame. Kelly reported that she had a great time at the Hall of Fame and she received glass trophy and a medal. Kelly also reported that she had a dinner and she stayed in a wonderful hotel and they had a Special Olympics auction where you can bid on stuff. All around Kelly had a great time and she met lots of people at the Hall of Fame. Lycoming County is proud of Kelly of all that she does in Special Olympics as an athlete. Keep up the good work.
